

## The Great Nevada Travel Bug Race

*Race to the East*

My Mission: I'm racing against others from Nevada. Please help me by moving me closer to the East Coast. Once there, I'm to turn around and head back to Nevada.

The more caches I visit, the more miles I travel, and the more pictures I have help me earn points. I have to travel through adjacent states with no help via air travel or mailing. The racer that returns to Nevada with the most points wins!

### Please keep me moving!
