MEDIA PASSENGER

Since the media has expressed interest in documenting the 2005 Navigational Rally, we are looking for volunteers to offer rides for these crews.

YES \_\_\_\_\_

Would you be willing to have a TV or Newspaper reporter and camera-operator ride along for part or all of the rally? The media will be made aware that this is a competition and they will need to follow the cache hunter without getting in their way and get back in the vehicle without holding up your team.
